#### Section 3.01. Appointment of the Cooperating Institution.

#### Section 3.02. Responsibilities of the Cooperating Institution.

The Cooperating Institution shall be responsible for:

- (a) facilitating Project implementation by assisting the Loan Parties and the Project Parties in interpreting and complying with the Loan Documents;

## Article IV

LOAN ACCOUNT  
AND WITHDRAWALS

#### Section 4.01. Loan and Grant Accounts.

The Fund shall credit the principal amount of the Loan to the Loan Account and the amount of any Grant to the Grant Account.

#### Section 4.02. Withdrawals from the Loan Account.

The Borrower may from time to time request withdrawals from the Loan Account of amounts paid or amounts to be paid for Eligible Expenditures. The Loan Agreement may specify minimum amounts for withdrawals, in which case the Borrower shall finance Eligible Expenditures less than such minimum amounts by using the Special Account or its own resources.

#### Section 4.03. Special Commitments by the Fund.

Upon the Borrower's request, the Fund may make special commitments to pay amounts in respect of Eligible Expenditures, notwithstanding any subsequent suspension of the Borrower's right to request withdrawals, on such terms and conditions as the Borrower and the Fund may agree.

#### Section 4.04. Applications for Withdrawal or Special Commitment.

- (a) When the Borrower wishes to request a withdrawal from the Loan Account or a special commitment, the Borrower shall deliver, by hand or mail, to the Cooperating Institution (with a copy to the Fund) an application in such form and substance as the Cooperating Institution shall reasonably request.
- (b) The Borrower shall furnish to the Fund and the Cooperating Institution evidence, satisfactory to the Cooperating Institution, of the authority of the person or persons authorised to sign such applications and the authenticated specimen signature of each such person.
- (c) The Borrower shall also deliver to the Cooperating Institution such documents and other evidence in support of such applications as the Cooperating Institution shall reasonably request, whether before or after the Cooperating Institution shall have permitted any withdrawal or special commitment requested in the application.
- (d) Each such application, and the accompanying documents and other evidence, shall be sufficient in form and substance to satisfy the Cooperating Institution that the Borrower is entitled to a withdrawal from the Loan Account of the amount applied for, and that such amount will be used only for Eligible Expenditures.
- (e) No such application shall be honoured if received by the Cooperating Institution before the Effective Date or after the Loan Closing Date.
- (f) After receiving an application complying with this Section 4.04, the Cooperating Institution shall issue a payment request to the Fund for the amount which the Cooperating Institution has determined that the Borrower is entitled to withdraw.

#### Section 4.05. Payments by the Fund.

Upon receipt of an authenticated payment request from the Cooperating Institution, the Fund shall pay to, or to the order of, the Borrower the amount which the Fund has determined that the Borrower is entitled to withdraw.

#### Section 4.06. Value Dates of Withdrawals.

A withdrawal shall be deemed made as of the day on which the relevant financial institution debits the account chosen by the Fund for the purpose of disbursing such withdrawal.

Section 4.07. Statements of Expenditure.

- (a) The Loan Agreement may provide that the Borrower may request withdrawals from the Loan Account on the basis of statements of expenditure. To the extent that the Borrower does so, the Borrower (or its designee approved by the Fund) shall retain all records evidencing such expenditures until ten years after the Loan Closing Date.
- (b) If the Fund, any auditors of the Project, or the Cooperating Institution determine that any amount so withdrawn was not used for the purposes indicated in the relevant statement of expenditure, the Borrower shall promptly refund such amount to the Fund upon instructions by the Fund. Except as the Fund shall otherwise agree, such refund shall be made in the currency used by the Fund to disburse such withdrawal. The Fund shall credit the Loan Account by the SDR Equivalent of the amount so refunded.

Section 4.08. Special Account.

- (a) The Loan Agreement may provide that the Borrower open and maintain a Special Account for financing all or a part of the Project, and that the Fund make one or more withdrawals from the Loan Account on behalf of the Borrower in an aggregate amount specified as the Authorized Allocation and deposit such amount in the Special Account.
- (b) The Borrower shall make payments out of the Special Account exclusively for Eligible Expenditures.
- (c) The Borrower may from time to time request replenishment of the Special Account for payments made out thereof. The Fund may designate minimum amounts for replenishments, which may be expressed as a percentage of the Authorized Allocation. Prior to or at the time of such request, the Borrower shall furnish to the Cooperating Institution such evidence as the Cooperating Institution shall reasonably request showing that such payments were made for Eligible Expenditures and the respective amounts and categories thereof.
- (d) After receiving such request and evidence, the Cooperating Institution shall issue a payment request to the Fund for the amount which the Cooperating Institution has determined that the Borrower is entitled for replenishment.
- (e) Based on such request, the Fund on behalf of the Borrower shall withdraw from the Loan Account and deposit into the Special Account the amount which the Fund determines that the Borrower is entitled for replenishment. The Fund shall debit the respective categories of Eligible Expenditure in the respective amounts indicated in the evidence furnished by the Borrower.
- (f) The Fund shall make no further deposit into the Special Account when:
  - (i) the balance of the Loan Account, less any outstanding special commitment under Section 4.03, equals the SDR Equivalent of twice the Authorized Allocation;

- (ii) the Borrower has failed to furnish in a timely manner the audit reports required by Section 9.03(b);
  - (iii) the Fund has notified the Borrower under Section 12.01 that its right to request withdrawals from the Loan Account has been suspended; or
  - (iv) the Fund determines that all further withdrawals shall be made directly from the Loan Account.
- (g) If at any time the Fund determines that any payment out of the Special Account, or any portion thereof, was not made in accordance with this Section, the Borrower shall, promptly upon notice from the Fund, deposit into the Special Account or, if the Fund so requests, refund to the Fund an amount equal to the amount of such payment or such portion thereof. The Fund shall make no further deposit into the Special Account until the Borrower has made such deposit or refund.
- (h) If at any time the Fund determines that the balance of the Special Account is no longer required or permitted to finance payments for Eligible Expenditures, the Fund may give notice thereof to the Borrower. The Borrower shall refund to the Fund such balance within 30 days after such notice. Upon receipt thereof, the Fund shall credit the Loan Account in the amount of such refund. Except as the Fund shall otherwise agree, such refund shall be made in the currency used by the Fund for the purpose of withdrawals from the Loan Account.

#### Section 4.09. Allocations and Reallocations of Loan Proceeds.

- (a) The Loan Documents may allocate the principal amount of the Loan to categories of Eligible Expenditures and specify the percentages of such Eligible Expenditures to be financed by the Loan.
- (b) If, upon request by the Borrower, the Fund reasonably estimates that the principal amount of the Loan allocated in the Loan Documents to any category of Eligible Expenditures will be insufficient to finance such Eligible Expenditures, the Fund may, by notice to the Borrower:
- (i) reallocate to such category amounts of the Loan allocated to another category not needed to meet other Eligible Expenditures, to the extent required to meet the estimated shortfall; and
  - (ii) if such reallocation will not fully meet the estimated shortfall, reduce the percentage of such Eligible Expenditures to be financed by the Loan.
- (c) In furtherance of its policy set forth in Article XI, the Fund may, by notice to the Borrower, increase or decrease the percentage of such Eligible Expenditures to be financed by the Loan to avoid the use of Loan proceeds to pay Taxes.

## Section 4.10. Eligible Expenditures.

- (a) The Loan shall be used exclusively to finance expenditures meeting each of the following eligibility requirements:
  - (i) The expenditure shall meet the reasonable cost (excluding Taxes) of goods, works and services required for the Project and to be financed by the Loan supplied from the territory of a Member State and procured in accordance with the procedures specified in the Loan Documents.
  - (ii) The expenditure shall be incurred during the Project Implementation Period, except that:
    - (A) expenditures to meet the costs of starting up the Project or fulfilling the conditions precedent to effectiveness of any Loan Document may be incurred before the Effective Date but after the date of the Loan Agreement; and
    - (B) expenditures to meet the costs of winding up the Project may be incurred after the Project Completion Date and before the Loan Closing Date.
  - (iii) The expenditure shall be incurred by a Project Party in a Member State.
  - (iv) The expenditure shall be incurred in accordance with the Loan Documents.
- (b) The Fund may from time to time exclude generally certain types of expenditure from eligibility.
- (c) Any payment to persons or entities, or for any import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations shall not be eligible for financing by the Loan.

PAYMENTS

- (b) Interest and other charges shall be computed on the basis of a 360-day year of twelve 30-day months.
- (c) If the rate specified in the Loan Agreement is variable, the Fund shall notify the Borrower, as soon as practicable, of the interest rate charged on the Loan in each interest period.

## Section 5.02. Repayments and Prepayments of Principal.

- (a) The Borrower shall repay the aggregate principal amount of the Loan withdrawn from the Loan Account by the Borrower, or by the Fund on its behalf, in instalments as specified in the Loan Agreement.

- (b) The Borrower shall have the right to prepay all or any part of the principal amount of the Loan, as specified by the Borrower upon 45 days' notice to the Fund, provided that the Borrower pays all accrued and unpaid interest and other charges on the prepayment date. All prepayments shall be credited against the remaining Loan instalments in such manner as the Borrower and the Fund shall agree.

Section 5.03. Manner and Place of Payment.

- (a) The Borrower shall make all Loan Service Payments in accordance with applicable laws, *provided, however*, that all Loan Service Payments shall be made without currency or other restrictions of any kind imposed by, or in the territory of, the Project Member State.
- (b) All Loan Service Payments shall be paid to such account or accounts in such bank or other financial institution as the Fund may designate from time to time.

#### Section 6.04. Valuation of Currencies.

#### Section 6.05. Discontinuance of SDR as Loan Medium.

In the event that the nature or composition of the SDR changes so as to make its continued use as a loan medium inappropriate in the view of the Fund, the Fund shall convert the principal amount of the Loan, and all other amounts expressed in SDR, into such other currency or unit of account as the Fund deems appropriate. The Fund shall promptly notify the Borrower of any such conversion. Such notice shall be deemed *ipso facto* to modify the Loan Documents accordingly.
