

WAY OF SUCCESS

Forty-seven number of tribal people from Jashpur district of Chhattisgarh state got driver training for driving heavy vehicle. Out of the forty-seven, three of them namely Suresh Ram (Mahua), Jagdish Ram (Lodhena) & Vinod Ram able to get employment for themselves as a driver. They are earning a sum of Rs.2500 per month individually as a salary even after they are staying in their native place. After getting jobs they became satisfied from their livelihood and surviving happily with their families.

Development block Bagicha under tribal dominated district Jashpur has its own natural beauty. When Chhattisgarh Tribal development Program came in limelight of this area which is 60km far away from their districts headquarter the local people of this district a new hope for their development just like sun arise in their life every early morning.

Selected area such as MAHUA AND NARANGA PANCHAYAT under project in which different type of government project is running from long period of time by Gov. but there were little bit effect of Gov. project visualized in economical development and mental development of local villagers. Reason was clear of failure because there was lack of healthy attachment of local villagers to the Gov. project .When the CTDP launched in this area firstly staff of the project brought their scheme near to the local villagers to make them understand and feel about the project for the development of villagers. All the villagers sit together at one place according to their community, age and class and make decision of giving final face of 3 year working plan for the development of tribal.

On the basis of economical class and through PRA. Decision has taken for the giving training on vehicle driving for youngster of this area. There was lack of good and experience driver and also increase number of vehicle day by day in the district give base of this decision. After this with the help of working NGO of Jashpur 47 number of youngster have selected for the driving training through Gram Sabha and PRA. Above vehicle driving training under the project got sanction. Now time had come for giving final face of this successfully project for this responsibility have given to the Motor Training School Jashpur with the help of district office. A village of SANNA near to the district have selected for the vehicle driving training program. Driving training program have divided in 3 phases for 38 days from August to October out of 38 days 30 days given on vehicle driving and remaining 8 days for vehicle repairing. After training they got Driving license & now they are capable for self livelihood.
